SUMMARY

MERN Stack Developer skilled in building scalable web applications using **MongoDB, Express.js, React.js, and Node.js**. Experienced in developing **RESTful APIs, authentication, database integration, and responsive user interfaces**, with a strong focus on backend development and clean, maintainable code.

EXPERIENCE

QTN GLOBAL SERVICES PVT. LTD.

February 2025 – Present

Full-Stack Developer

Alwar, Rajasthan

- Developing and maintaining **full-stack web applications** using **React.js, Node.js, Express.js, and MongoDB**.
- Building **responsive user interfaces** and reusable components to improve user experience across devices.
- Designing and integrating **REST APIs**, handling backend logic, authentication, and database operations.
- Collaborating with the team on feature development, bug fixing, testing, and deployment of projects.

Success Ladder Technologies Pvt. Ltd.

September 2024 – January 2025

SDE Intern - Web Developer

Alwar, Rajasthan

- Developed **web applications** using the **MERN stack** with focus on performance and scalability.
- Built **responsive UI components** using **React.js & Tailwind CSS**.
- Created and integrated **REST APIs** using **Node.js & Express.js**.
- Handled **debugging, code optimization, and maintenance** of existing projects.

TECHNICAL SKILLS

Programming Languages: C, C++, JavaScript

Frameworks / Libraries: React.js, Node.js, Express.js, Tailwind CSS, HTML5, CSS3

Databases: MongoDB, MySQL

Tools and Platforms: Git, Postman, GitHub, Vercel, Render, MilesWeb

PROJECTS

Faculty Management System — *React.js, Node.js, Express.js, MongoDB, Firebase Auth*

2026

- Developed a **Faculty Management System** to manage faculty activities, lectures, attendance, and daily academic reports.
- Built **RESTful APIs** using **Node.js** and **Express.js** for managing faculty reports, academic records, and student progress.
- Integrated **MongoDB** for efficient data storage and implemented secure authentication using **Firebase Auth**.

Digital E-Card — *React.js, Redux Toolkit, Tailwind CSS, React Router*

2026

- Built a responsive **e-commerce application** with product listing, search, filtering, cart management, and checkout flow.
- Implemented **Redux Toolkit** for centralized state management, cart persistence, and quantity control.
- Designed a modern responsive UI using **Tailwind CSS** for an optimized shopping experience.

EDUCATION

Modern Institute of Technology and Research Centre (MITRC)

Alwar, Rajasthan

B.Tech in Computer Science and Engineering (CGPA: 8.69)

2021 – 2025
